

PHYSICS

Intensive Revision Class (IRC) for JC1 going JC2 Students

Class Format

1 Explanation of Overarching Concepts

Forming the strong Foundation to tackle wide range of questions

2 CF's Step-by-step Mastery Strategy

Be skillfully guided by our tutor from basics to intermediate and then advanced questions!

3 Post-course short Assignment to check for Understanding

Submit a piece of work for our tutor to assess and marked scripts will be return via e-mail.

IRC.P.5.3	Part 1 - Oscillation Part 2 - Waves	8 Dec, Thu Part 1: 1 - 3pm Part 2: 3.30 - 5.30pm

Early Bird Discount

Pay \$10 less for each class when you pay before 20 Nov 2022!

[Redeem using Promocode PEB-2022]

Full Package Bonus

Receive 1 FREE Lab Class (worth \$160) when you sign up for all 3 classes!

[Redeem using Promocode PFP-2022]

Fees

\$190 per class [2 x 2h sessions] for Current CF Students
\$205 per class [2 x 2h sessions] for New Enrolments

- * Don't miss out on discount opportunities! (see yellow boxes)
- * Online or Onsite Available (same fee).
- * Fee inclusive of lesson materials

Discount Example:

Current CF Student X signs up 2 classes and paid on 22 Nov.

Fee of Student X = \$190 x 2 = \$380

Non-CF Student Y signs up for 3 classes and paid on 18 Nov.

Fee of Student Y = \$205 x 3 - \$10 x 3 (Early Bird Discount) = \$585
