Physics Practical Lab Classes (JC)

How our Lab Class Credit System Works:

- 1** Students/Parents use Lab Class Credits to book lab classes via our Learning Management System (LMS).
- 2** We conduct the same experiment in the various time slots in each month. Students are advised to attend just 1 class within the same month to avoid repetition.

How to Get Lab Class Credits:

- 1** **FREE** Get Free Lab Class Credits when you sign up for our regular weekly theory classes.

or

- 2** **BUY** Buy Lab Class Credits and book your slots through our LMS
